

Kaplan International College London

Course information: 2023-24

This booklet contains information about pathway courses taught at Kaplan International College London in the UK, with progression to partner universities. Choose your preferred university and degree, and see which pathway course you need to take to gain entry. You can also see further information about the pathway courses, including tuition fees, start dates, entry requirements, internship options and module summaries.

Undergraduate pathways

Choose your undergraduate degree 03

Foundation Certificate:

Art and Design	14
Business, Law and Social Sciences	16
Science and Engineering	18

International Year One:

Business	20
Computer Science	22
Engineering	24

Guaranteed progression

All Foundation Certificate and International Year One courses offer guaranteed entry to a partner university degree, when you pass at the required level with good attendance.

Course delivery

As much as possible, all Foundation Certificate and International Year One courses are taught in person at Kaplan International College London. In exceptional cases, however, some classes may be taught at an alternative venue nearby.

Your path to university:

University of Birmingham

Costs of studying abroad: for more information on the cost of studying in London, in addition to pathway course tuition fees, please see our webpage: kaplanpathways.com/london-study-costs

Note: courses leading to Fashion Design degrees at University of Westminster require an overall IELTS level of 0.5 higher on all course durations, for example: 2 terms: 6.0 overall with no less than 5.0 in any skill or 4 terms: 4.5 overall with no less than 4.0 in any skill.

* **UKVI IELTS alternatives:** we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

Academic entry requirements: for all course options, you need to have completed high school at the required level. For requirements specific to your country, select a degree and pathway course from our online Degree Finder: kaplanpathways.com/kic/ug-degrees

Course length: this is influenced by your English language score submitted at the admissions stage. When you enrol, we'll check your English and academic level again to ensure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- Creative Practice and Portfolio
- English for Academic Purposes

You will also take 2 of the following modules that fit your degree and career goals[†]:

- Entrepreneurship
- People, Culture and Society
- Practical Skills for Art and Design
- Visual Culture

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

i Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
 - build real-world experience related to your degree subject at university
 - gain additional career skills and experience and boost your CV before your degree
- See the undergraduate module summaries section for more details.

Extra support: for courses of over 2 terms, you will take additional modules from a selection of Enhancement and Extended English and Skills options (depending mainly on your IELTS score) before the modules to the left.

Students with at least UKVI IELTS 5.5:

you can study a 2.5 or 3-term course that typically includes Enhancement modules to maximise your university preparation:

- Critical Reading, Writing and Reasoning for Higher Education
- Art, Design and Media

Plus 2 of these modules:

- Contemporary Art in Context
- Digital Applications
- Preparatory Statistics
- UK Society and Culture

Students with less than UKVI IELTS 5.5:

you will typically study Extended English and Skills modules to improve your English language level and academic skills.

Students with UKVI IELTS 4.5 or 5.0 will typically take:

- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.0 will typically take:

- English for Academic Study 2 + English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 2 + Reading and Writing 3
- Speaking and Listening 2 + Speaking and Listening 3
- Study Skills Preparation

[†] For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.
